

Members of the Alaska Chapter
The Wildlife Society

The gestation period is about over and the Alaska Chapter of The Wildlife Society will be born upon acceptance of our charter by the parent society.

Balloting terminated February 28, 1971 and the results follow:

President	R. A. Rausch
Vice President	Dr. Francis (Bud) Fay
Secretary/Treasurer	James E. Hemming
Interior/Arctic Representative	Oliver (Bud) Burris
Southcentral/Western Representative	Dr. Calvin Lensink
Southeast Representative	Fred Robards

Membership stands at 71 with 64 charter members. Charter members are those individuals who paid dues by February 28, 1971. Initial interest as expressed by paid memberships exceeded our estimates and I hope a continuing interest can be maintained by formulating an active program. Ideas and issues are solicited.

A membership list and a copy of the Chapter by-laws are included with this letter. If there are errors or omissions in either the membership list or the by-laws please call them to my attention.

The next order of business consists of appointing committees as required by the by-laws. A meeting of the officers and the area representatives is tentatively set for early May in Fairbanks. A firm date will be announced as soon as possible.

Robert A. Rausch
President, Alaska Chapter
The Wildlife Society
